TOUCH TERMINAL SP-850BZ PCT

BEAUTY AND ELEGANCE FULFILLS POS DEMANDS OF TODAY

For today's ever changing POS environment and the increased demand for performance, Partner Tech developed the SP-850BZ PCT. From customer relationship management to self-service and everything inbetween, the demand for POS capabilities is higher than ever.

To meet those requirements, the new SP-850BZ PCT is equipped with the Intel Bay Trail-D J1900 quad core CPU and is of course fanless, to guarantee reliability and low maintenance. Memory wise, up to 8GB RAM will be supported.

The elegant body of SP-850BZ PCT utilizes scratch-proof Projected Capacitive Touch technology monitor for an optimum of operation reliability. The bezelfree monitor is flexible and can be adjusted to meet the requirements of any workplace – whether with convenient VESA / wall mount or wide tilt angle.

There are different possibilities to connect a customer display (2x20 VFD) or a 2nd monitor e.g. for digital signage. The second monitor can even be with touch as well, everything is possible.

To round up the SP-850BZ PCT Touch POS system, a wide range of helpful POS peripheral options are available.

SP-850BZ PCT

SPECIAL FEATURES

Elegant and robust aluminum die-cast housing

Powerful Intel® Bay Trail quad core processor J1900

Supports up to 8GB RAM

Flexible modular design and customer display / 2nd monitor support

Spill and dust resistant front panel, IP 66

Convenient VESA / wall mount and wide tilt angle monitor

OPTIONAL
